

RIS Fellowship programme

Objective: We want students from or studying in the RIS area to apply to take part in a 3-month paid internship. The deadline is very short and we therefore need your help to promote this as soon as possible.

You can find the details here: <http://timo.wz.uw.edu.pl/risfellowships/>

Timeline:

Task list:

1. **Before 30 April:** Promote the opportunity in your country or regions to encourage students to apply. For example:
 - a. Use social media, student message boards
 - b. Contact Universities, scholarship directories in your area
 - c. Use a Master contact list to send out an email with the information
2. Select 30 candidates based on LinkedIn profile + 1-min video presentation
3. Organise evaluation workshop for 30 students in your country
 - a. The consortium is preparing a group & individual case study + a paper-pencil test with help of project partners (eg. Pepsico, Azti, Puratos, Maspex).
 - b. Use evaluation method prepared by consortium and see each company internship specifications to help with evaluation
4. Select candidates for final round (interviews with host companies)

We encourage you to start step 1 in the task list as of now. We will get back to you soon with more information regarding the selection procedure and the workshop that needs to be organised mid-May/Mid-June.

In the meantime, please find attached [a newsletter](#) you can use to share with your contacts as well as **a PDF document** explaining the opportunity in detail.
