Mail: iquincoces@azti.es

6. AWARD

Once the offers have been received on the date indicated for their presentation, within 15 working days, the result of the tender will be published on the AZTI Foundation website.

7. CONDITIONS DE RECRUTEMENT

- The selected entity, during the time that the service relationship with AZTI lasts, must comply with the regulations in force on labour matters, Social Security and Health and Safety at Work, being subject, if applicable, to carry out the coordination of business activities in accordance with RD 171/2004 according to the procedure and specifications established (available at <https://www.azti.es/en/recruitment-rules/>)
- In any case, and independently of any other documentation, the selected entity must present, before the formalization of the contract, a certificate that proves that it is up to date with the fulfillment of its tax and social security obligations.
- The selected entity must present the necessary documentation to formalize the contract within a period not exceeding 20 days from the award. Any additional questions may be consulted in the Internal Contracting Regulations published at www.azti.es

9. TECHNICAL REQUIREMENTS

The sensors have to comply with the following characteristics;

- Minimum range between the receiving base and the sensors of 1000 metres
- 18-month battery life for the sensors
- Wireless sensor charging
- Configuration and wireless start-up of sensors
- The system shall be capable of providing both the relative position of the sensors with respect to the receiver and their position referenced to the ground.
- The network shall consist of a minimum of 7 sensors plus the receiving station and shall be able to grow in number of sensors, if necessary.
