9. TECHNICAL REQUIREMENTS

- AZTI reserves the right to request clarifications or additional information on the proposals received. However, in the event of a tie in the evaluation of the proposals received, the proposed improvements will be the final decision.
- The **price offered shall be maintained for the duration of the contract**, without the possibility of variation for any reason whatsoever.
- The supply will be made upon request by AZTI.
- The delivery of each order will be made to the person determined by AZTI, who will be provided with the delivery note for the products supplied.
- The selected entity must comply with the delivery deadlines agreed with the customer when the order is placed.
- The selected entity will have to have sufficient storage capacity to maintain the necessary stocks and supply the required products with due regularity.
- In the event of offering a reference different to that requested by AZTI, the selected entity must justify the offer based on the technical specifications required by AZTI.
- In the event that the successful bidder is unable to carry out the requested supply under the conditions required by AZTI, AZTI reserves the right to arrange it with another supplier.
- In order to ensure the correct execution of the tasks described and to allow the greatest flexibility in the definition and execution of these tasks (especially in urgent situations) without disturbing, as far as possible, the execution of other work by AZTI staff, the supplier must state in its offer the contact person representing the supplier and describe the channel of communication with this person (at least mobile phone and email).
